Acid Insoluble Matter	%	< 0.01	-	0.02
Acid Insoluble Particle Size	-	Pass	-	-
Arsenic	mg/kg	< 3	-	3
Passing U.S. Std #4 Sieve	%	100	98	-
Passing U.S. Std #30 Sieve	%	0	-	5

ISSUED BY: Randy Haight Quality Assurance

Seal Numbers: 2064265

Batch number reflects location and date of manufacture as follows:

Batch numbering format, FFFYMDDSC, where:

F's denote the FACILITY code (364)

Y denotes the YEAR code (G = 2018, H = 2019, I = 2020, J = 2021)

M denotes the MONTH code (A = Jan, B = Feb, C = Mar, etc.)

DD denotes the two-digit DATE of the month

SC denotes a sequence code for internal use

When properly stored to protect from moisture contact, the expected shelf life for this product is 36 months.

For inquiries, please contact Customer Service or local sales.
